FOR
WHITE-WATER RAFTING
ON THE
GAULEY RIVER

September 11-13, 2009

The **Upper Gauley River** is one of the best and the toughest white-water rivers in the East. The **Lower Gauley** is great fun with many waves and holes. You can choose trips on either the Upper or Lower Gauley – or an all-day **Full-Gauley** trip. This is the tenth year in a row that we have run this rafting trip. Many who have joined us in the past have come back year after year. Find out what you've been missing! Join MSA for an exciting weekend in West Virginia as we ride the rapids, make new friends and share stories of our adventures around the campfire. There are several options so that you can raft the portion(s) of the rivers that suit you. Contact us for more information.
